## CHECK OUT THE CAT YOUTH THEATRE!

A free after-school theatre program for middle school-aged young people

**SUMMER PROJECT AUGUST 2021– APPLY NOW!**

**This will be a remote project on Zoom**

Come & join the award-winning [CAT Youth Theatre](#) for a summer intensive & find out what we're all about. This is an opportunity to meet new people and participate in theatre games, improvisation & playbuilding activities – all online!

CAT YT creates original plays from the ideas and concerns of the young people who are members. Our plays are based on what YOU want to say. While we won't hold a public performance in August, we can still have fun building theatre skills and you will be guaranteed a place in the YT in the fall.

We are hoping to be back in person in the fall- whether remote or in person, we WILL be meeting and creating together!

**WHEN:** August 16th-20th, 2:00pm-5:00pm

**WHO:** **High-school aged individuals** with commitment, energy, and the desire to play an active part in moving towards the change you want to see in the world. You don't need to prepare a monologue, or have theatre experience. If we offer you a place in the project, membership is **FREE** but you must be able to **commit to the entire schedule**.

Participation in the project will make you eligible to join the group in the fall. If we offer you place in the Youth Theatre, membership is again **FREE** but you must be able to commit to every Tuesday from 4pm-6:30pm.

**CAT Youth Theatre** is a free, award-winning after school program that helps young people to thrive– on stage and in life. The collaborative theatre process gives young people the opportunity to make new meanings from the material of their lives. Members create socially relevant, artistically sophisticated original plays while learning vital life skills enabling youth to become self-confident, compassionate and accountable; to develop relationships across differences; build community; and be prepared to act as contributing citizens. Membership is free to the young people who participate. There are no auditions required – just a commitment to be an active participant of the CAT Youth Theatre community. CAT Youth Theatre is a program of the CUNY Creative Arts Team.
