*"Best PD in my decades-long arts education career!"*

Shakespeare Program Participating Teacher

*"I am a Dual Language teacher... The actor that worked with me gave me the option to do the different activities in Spanish. Using interactive drama strategies, oral language skills and vocabulary development in Spanish helped me to support my English-dominant students in their second-language acquisition and to develop their essential social-emotional skills."*

Early Childhood Educator

*"You gave me innovative ways to teach literacy and math."*

Young Adult Literacy Provider

*"I truly feel that it has helped me to listen to my students in a more effective way. I am always aware and constantly learning from my students as I hope they are learning from me, but this experience has allowed me to view the perspectives of my students in a different and more understanding way."*

**WHO WE ARE:** Founded in 1974, CAT is an educational outreach program at The City University of New York (CUNY), and in partnership with CUNY's School of Professional Studies, offers the nation's first M.A. in Applied Theatre – using theatre to facilitate, educate and activate. **WHAT WE DO:** Theatre cultivates a unique skill set that is indispensable for the 21st Century – primarily communication, collaboration, critical thinking and creativity. CAT enriches the lives of our participants through a pedagogy which combines educational drama strategies with research-based educational theories and practices to create participant-centered, interactive drama experiences. CAT offers a diverse array of programs for traditional and non-traditional populations. With four decades of dedicated school and community partnerships, youth and professional development programs, and our award-winning Youth Theatre, CAT has reached over a million students, educators, parents, community members and teaching artists in New York City, across the nation and around the world.
