

About CAT Youth Theatre

- The CAT Youth Theatre (9th through 12th grades) meets on Tuesday evenings, September through May.
- The CAT JUNIOR Youth Theatre (6th through 8th grades) meets on Wednesday evenings, September through May.
- Students are admitted on a "first come, first served" basis-there is no audition process.
- There is no charge for participation.
- No theatre experience is necessary.
- Applicants for the CAT Youth Theatre must be currently attending high school. Applicants for the CAT JUNIOR Youth Theatre must be in 6th, 7th, or 8th grade.
- Youth Theatre participants are expected to attend every week. If a member must miss a session, s/he is responsible for informing the Youth Theatre. Missing more than three sessions in a row will result in a member forfeiting his/her place in the company.
- There is also a summer recruitment project for applicants who will be eligible to join the Junior Youth Theatre the following fall. For this project you must be entering 6th, 7th, or 8th grade in the fall of 2015. Please indicate in "comment" if you are interested in the summer project.
